SUMMARY

As a passionate and committed student, I specialize in Web development and website creation. With my strong technical skills, I excel at delivering high-quality, user-friendly websites. My proven ability to thrive in dynamic, fast-paced environments is demonstrated through my active participation in hackathons, where I continually enhance and refine my skill sets.

EDUCATION

Bachelor of Technology in Computer Science Engineering (AI & ML)	(2022 - 2025)
Trident Academy of Technology - GPA - 6.9	
Diploma in Information Technology	(2020 - 2022)
Govt. Polytechnic Bhubaneswar, Odisha - 72.96%	
+2 Science	(2018 - 2020)
S. L. A. Higher Secondary School, Godipada, Nayagarh - 68%	
10th Board	(2017 - 2018)
K. N. Janata High School, Sajanapada, Nayagarh - 65.67%	

SKILLS

- **Programming Languages:** Java (OOPJ, including JDBC), C Programming
- **Web Technologies:** HTML, CSS, JavaScript, WordPress, React Js
- **Database Technologies:** MySQL
- **Tools:** Git and GitHub, Visual Studio Code, IntelliJ IDEA, Eclipse IDE

PROJECTS

- Personal Portfolio
 - Developed a responsive personal portfolio website to showcase my skills, experience, and project.
 - Designed with HTML, CSS, and JavaScript, incorporating a responsive and visually appealing layout.
 - Integrated contact information and social media links for easy connection, with an option to download my CV.
- Gadget Grid- eCommerce Website
 - The primary goal of this project was to develop an electronics-focused eCommerce website named GadgetGrids.
 - The project was developed using HTML, CSS, and JavaScript for the front-end, Java and JSP for backend functionalities, and MySQL for database management.
 - Key features include secure user registration and login, product browsing by category, order placement, and order tracking for users. Admins can manage products, categories, users, and order statuses through a dedicated dashboard.

EXPERIENCE & ACHIEVEMENTS

- Participated in the Grand Finale of Smart India Hackathon 2023.
- Participated in 3 college-level hackathons.
- Completed NPTEL certification, demonstrating a strong foundation in programming and problem-solving skills:
 - Programming in Java - Scored 64%.

DECLARATION

I hereby declare that the details and information given above are complete and true to the best of my knowledge.
